**To: Subcarpathian Aviation Cluster:  
STOWARZYSZENIE B-4**

**Dear Sirs,**

Knowing your organization as a high professional body in aerospace sphere, we are honoured to address you a cooperation proposal.

Our company International Exhibition Center Ltd. is largest operator in exhibition & events domain in Ukraine with own multi functional facility with total area 58 000 sq.m. This year we were the proud host of Eurovision song contest.

Our events calendar consists of 17 exhibitions covering various sectors of economy. Among these exhibitions the following ones are of special state significance and large-scale:

- International Aviation and Space Salon “**Aviasvit-XXI**” (biennial)  
11<sup>th</sup> edition – October 9-12, 2018
- International Exhibition “**Arms and Security**” (annual)  
14<sup>th</sup> edition – October 10-13, 2017  
15<sup>th</sup> edition – October 9-12, 2018

In view of wide support of Ukraine from the international community and development of military- industrial cooperation as well as aviation and space programs, we foresee great perspectives for possible cooperation and believe it approachable in the nearest future.

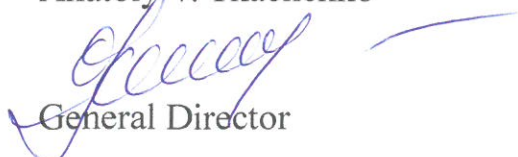

We kindly ask you to consider cooperation either as the organizer of a national Pavilion or booths of individual exhibitors.

Having an opportunity we are pleased to invite you to visit 14<sup>th</sup> International Exhibition “**Arms and Security - 2017**” (October 10-13, 2017). In case of your interest, please confirm your visit until September 8, 2017 to get invitation tickets.
